

**GN Beverages, LLC
Information Summary for the Public**

Host Country:	Mongolia
Name of Borrower:	GN Beverages, LLC (the "Company")
U.S. Franchisor :	PepsiCo
Foreign Sponsors:	Four (4) Mongolian individuals with a combined ownership of 100% in the Company
Project Description:	Expansion of a carbonated beverage bottling facility to include PepsiCo products in the capital city of Ulaanbaatar, Mongolia (The "Project")
Total Project Cost:	\$13,281,000
Proposed OPIC Loan:	\$6,000,000 (the "Loan")
Development Effects:	The Project will have a positive developmental impact in Mongolia. GN Beverages' investment will support the expansion of Mongolia's beverage production infrastructure. The Project will have a positive human capacity impact and will provide training and benefits for a majority of the workers. The Project will utilize uncommon marketing strategies and production technologies.
Environmental Effects:	Beverage manufacturing projects are screened as Category B because their environmental and social impacts are site-specific and can be mitigated to acceptable levels by the adoption of good environmental management practices.
Worker Rights:	OPIC's statutorily required standard worker rights language will be supplemented with provisions concerning the right of association, organization and collective bargaining, the timely payment of wages, minimum age, hours of work, and hazardous work situations. Standard and supplemental contract language will be applied to all workers of the Project.
Human Rights:	The Project received a Human Rights Clearance on July 7, 2010
